CD-RW (Compact Disc – Rewritable) means that you can use the discs more than once and that the contents of the discs can be erased and rewritten. Verbatim CD-RW discs can be rewritten a minimum of 1,000 times. CD-RW discs are used just like CD-R discs.

Product Use: Verbatim's CD-Rewritable is also ideal for applications such as digital image storage, temporary storage of internet downloads, back-up, archiving, prepress and software development.
